

## Sunday, 24 August 2008

	Theatre 1	Theatre 2	Grand Hall
08:00	Free Papers <b>SIROT: Biomechanics</b>	Free Papers <b>SIROT: Osteoporosis</b>	
-09:00			
09:00	Free Papers <b>SIROT: Infections</b>	Free Papers <b>SIROT: Joint Replacement</b>	
-10:30			
	<i>Break</i>		
11:00	Free Papers <b>SIROT: Fracture Healing</b>	Free Papers <b>SIROT: Tissue Engineering</b>	
-12:00			
12:00	Free Papers <b>SIROT: Infections / Tissue Engineering</b>	Free Papers <b>SIROT: Tumours</b>	
-13:00			
	<i>Lunch</i>		
14:00	<b>SICOT/SIROT Research Commission: Stem Cells and Orthopaedics</b>		
-16:45			
17:30			<b>SICOT Opening Ceremony</b>
-19:00			

## Monday, 25 August 2008

	Theatre 1	Theatre 2	403	404 / 405	406 / 407	408	603 / 604	605	606 / 607	608		
08:00 -09:00	CTL Spine: Spine Fractures	CTL Trauma: Pelvic Acetabular Fractures	CTL Hand & Wrist	CTL Foot & Ankle: Hallux Valgus	CTL Sports Medicine: Current Concepts in Patellofemoral Joint Disorders	CTL General Orthopaedics: Current Concepts in Osteoporosis Management						
09:00 -10:30	Symposium Spine: Biologic Motion Preservation	Symposium SICOT Trauma / ARTOF: Open Fractures I	Free Papers Hand & Wrist I	Symposium & Free Papers Basic Science: Biomaterials	Free Papers Sports Medicine: Articular Cartilage Repair	Free Papers General Orthopaedics: Learning & Teaching	<b>International Hip Society</b> <i>(open session)</i>	Free Papers General Orthopaedics: Cost Effectiveness	<b>International Federation of Paediatric Orthopaedic Societies (IFPOS)</b>	Free Papers Spine: Basic Science - Trauma Spine		
<i>Break / Poster Discussion</i>												
11:00 -12:15	Symposium Spine: Recent Advances	Symposium SICOT Trauma / ARTOF: Open Fractures II	Free Papers Hand & Wrist II	Symposium General Orthopaedics: DM Foot	Symposium Sports Medicine: Surgical Realignment for Patellofemoral Disorders	Symposium Kashin Beck Disease		Free Papers Joint: Total Knee Replacement I		Free Papers Spine: Basic Science		
12:15 -13:00	<b>Plenary Lecture</b> <b>Se-Il Suk</b>											
<i>Lunch Symposium</i>												
14:00 -15:30	Symposium Hand & Wrist	Symposium SICOT Trauma / ARTOF: Spine Injuries I	Free Papers Hand & Wrist III	Symposium Joint: Dual Mobility Cup	ISMISS: Triennial Scientific Session Part I	Free Papers General Orthopaedics: Functional Outcome I	<b>World Federation of Hemophilia (WFH)</b>	Free Papers Joint: Total Knee Replacement II	<b>International Federation of Paediatric Orthopaedic Societies (IFPOS)</b>	Symposium General Orthopaedics: Pain Management		
<i>Break / Poster Discussion</i>												
16:00 -17:30	Symposium Foot & Ankle: Arthroscopy	Symposium SICOT Trauma / ARTOF: Spine Injuries II	Free Papers Trauma: Polytrauma & New Techniques	Free Papers Joint: Osteotomies Around the Hip	ISMISS: Triennial Scientific Session Part II	Free Papers General Orthopaedics: Functional Outcome II		Free Papers Joint: Total Knee Replacement III				

CTL = Current Trend Lectures

## Tuesday, 26 August 2008

	Theatre 1	Theatre 2	403	404 / 405	406 / 407	408	603 / 604	605	606 / 607	608
08:00-09:00	CTL Spine: Spinal Deformities	CTL Joint: Total Knee Arthroplasty	CTL Paediatrics: DDH	CTL Sports Medicine: Clinical Decision Making in Shoulder Instability	CTL Foot & Ankle: Lesser Toes	Free Papers Joint: Hip I	AO Foundation Jubilee Symposium: New Concepts in Osteoporotic Fractures			
09:00-10:30	Symposium Spine: Spinal Deformities	Free Papers Joint: Total Knee Replacement IV	Symposium Paediatrics: Elbow Fractures in Children	Free Papers Shoulder & Elbow: Humerus & Elbow Fractures	Free Papers Foot & Ankle: Hindfoot / Ankle	Free Papers Joint: Hip II		Free Papers Spine: Disc Prosthesis	World Orthopaedic Concern (WOC)	International Hip Society (closed session)
11:00-12:15	Symposium & Free Papers Basic Science: Biomechanics	Symposium Joint: Primary Total Knee Replacement I	Symposium Paediatrics: Angular and Rotational Deformities of the Lower Extremities in Children	Symposium Sports Medicine: International Perspective on Treating Shoulder Instabilities	Symposium Foot & Ankle: Trauma	Free Papers Joint: Hip III		Free Papers Spine: Scoliosis Correction		
12:15-13:00	Plenary Lecture James Kellam									
13:00-14:00				Lunch Symposium CeramTec	Lunch Symposium Synthes			Lunch Symposium Pfizer		
14:00-15:30	Free Papers Trauma: Hip Fractures I	Free Papers Joint: Total Knee Replacement V	Free Papers Paediatrics / IFPOS	Symposium & Free Papers General Orthopaedics: Non-union / Imaging Techniques	Free Papers Foot & Ankle: Forefoot	Free Papers Joint: Hip IV	SICOT Sports Medicine Symposium	Free Papers Spine: Cervical Spine I	SICOT / SRS (Scoliosis Research Society): Paediatric Deformity	International Hip Society (closed session)
16:00-17:30	Free Papers Trauma: Hip Fractures II	Symposium Joint: Primary Total Knee Replacement II	Free Papers Paediatrics / IFPOS		Free Papers Foot & Ankle: Fractures	Free Papers Joint: Hip V		Free Papers Spine: Cervical Spine II		
17:30-18:30	SICOT General Assembly	Workshop Wright Medical								

CTL = Current Trend Lectures

### Wednesday, 27 August 2008

	Theatre 1	Theatre 2	403	404 / 405	406 / 407	408	603 / 604	605	606 / 607	608		
08:00 -09:00	CTL Spine: Cervical Degeneration	CTL Joint: Total Hip Arthroplasty	CTL Sports Medicine: Current Concepts on Knee Ligament Surgery	CTL Trauma: Minimally Invasive Plate Osteosynthesis	CTL Tumours: Update in Bone Tumour Management	CTL Hand & Wrist						
09:00 -10:30	Symposium Sports Medicine: Managing Knee Ligament Instabilities	Free Papers Joint: Infections	Free Papers Sports Medicine: Multiple Ligament Injuries / Ligament Reconstruction I	Symposium Trauma: Minimally Invasive Plate Osteosynthesis	Symposium & Free Papers Basic Science: Cells Biology & Clinical Applications	Free Papers Spine: Spinal Stenosis	SICOT / SRS (Scoliosis Research Society): Adult Deformity	Free Papers Shoulder & Elbow: Fractures & Lesions of the Shoulder & Humerus	SICOT / 5th International Clubfoot Congress			
<i>Break / Poster Discussion</i>												
11:00 -12:15	Symposium Sports Medicine: Managing Articular Cartilage Defects (Knee)	Symposium Joint: Complications	World Health Organization (WHO): Global Initiatives on Essential Surgical Care	Free Papers Trauma: Tibial Fractures I	Free Papers Basic Science: Cells & Tissue Engineering	Free Papers Spine: Degenerative Spine				Free Papers Shoulder & Elbow: Elbow Fractures in the Child		Free Papers Trauma: Acetabular & Proximal Fractures
12:15 -13:00	Plenary Lecture Peter Herberts											
				Lunch Symposium Link	Lunch Symposium Smith & Nephew			Lunch Symposium Synthes				
14:00 -15:30	Free Papers Joint: Thrombopro- phylaxis / Osteotomies Around the Knee	Free Papers Joint: Osteonecrosis	Free Papers Sports Medicine: Anterior Cruciate Ligament Repair	Free Papers Trauma: Tibial Fractures II	Free Papers Basic Science: Osteonecrosis & Reconstruction	Free Papers Spine: Tumours & Infection	AOSpine: Current Controversies in the Treatment of Spinal Disorders	Free Papers Shoulder & Elbow: Reconstruction I	SICOT / 5th International Clubfoot Congress	Free Papers Trauma: Fractures Around the Knee I		
<i>Break / Poster Discussion</i>												
16:00 -17:30		Symposium Joint: Primary Total Hip Arthroplasty	Free Papers Sports Medicine: Ligament Reconstruction II	Free Papers Trauma: Osteoporotic Fractures and Trauma	Free Papers Basic Science: Bone Healing & Reconstruction					Free Papers Shoulder & Elbow: Reconstruction II		Free Papers Trauma: Fractures Around the Knee II

CTL = Current Trend Lectures

## Thursday, 28 August 2008

	Theatre 1	Theatre 2	403	404 / 405	406 / 407	408	603 / 604	605	606 / 607	608
08:00 - 09:00	CTL Spine: Spinal Infection	CTL Joint: Complex Hip Problems	CTL Sports Medicine: Mastering the Essentials in Rotator Cuff Repair	CTL Trauma: Distal Radius Fractures	CTL General Orthopaedics: Electrodiagnosis in Orthopaedics		CTL Foot & Ankle: Postural Deformities	Symposium Tumours: Development in Bone Tumour Resection		
09:00 - 10:30	Symposium Spine: Low Back Pain & Disc Degeneration	Free Papers Joint: Revision Hip Arthroplasty	Symposium Sports Medicine: Sports Injuries to the Elbow and Ankle	Symposium Trauma: Updates in Distal Radius Fractures	HKCOS / HKOA		Free Papers Basic Science: Antibiotic Release / Articular Cartilage, Imaging & Reconstruction	Free Papers Tumours	SICOT / 5th International Clubfoot Congress	
<i>Break / Poster Discussion</i>										
11:00 - 12:15	Best Papers Session	Symposium Joint: Revision Total Knee Arthroplasty	Symposium General Orthopaedics: Orthopaedic War Injuries				Symposium Foot & Ankle: Miscellaneous	Free Papers Tumours: Primary Tumour & Limb Salvage		
12:15 - 13:00	Plenary Lecture Thomas R. Oxland									
<i>Lunch</i>										
14:00 - 15:30	Symposium Sports Medicine: Controversies in Meniscal Surgery	Symposium Trauma: Updates in Intertrochanteric Fracture Management		Free Papers Trauma: Organisation	Symposium Spine: Spondylolisis- thesis			Free Papers Tumours: Outcome After Primary Tumour Resection		
15:30 - 17:00	Closing Ceremony									

CTL = Current Trend Lectures
